THE HEART OF HISTORY

The known history of modern humans has been rewritten following the discovery of artefacts in Sharjah dating back 125,000 years, far earlier than anywhere else. But the emirate's historic influence spans from before the dinosaurs to the present day.

NATURAL HISTORY...

The very landscape and wildlife have an intriguing history to discover.

Sharjah's dramatic terrain has in the past been the desert of today, fertile savannah and lain beneath the seas as sandy ocean-bed. The evolution and adaptability of its natural heritage is an important story.

Head to the Natural History and Botanical Museums at the Sharjah Desert Park.

LIFESTYLE...

Traditional ways of life still influence the modern world in many ways.

Don't miss the old houses of Bait Al Naboodah and Majlis Al Midfaa in the Heart of Sharjah Area.

EXPLORATION...

Sharjah's story has influence from far afield.

Explore the Maritime Museum and the Museum of Islamic Civilisation in Sharjah city.
